25 P.S. Section 3258 (a)

inter alia, this sections provides that any communication "If authorized by the candidate, his authorized political committee or their agents, shall clearly and conspicuously state that the communication has been authorized."

If not a communication authorized or paid for by the candidate, the statute provides: "If not authorized by a candidate, his authorized political committee, or their agents, shall clearly and conspicuously sate the name of the person who made or financed the expenditure for the communication, including, in the case of a political committee the name of any affiliated or connected organization."
